

**In The Title**

A1  
Cancel the present title and insert therefore new title as follows: "Method and System For Identifying and Resolving Software Conflicts and Computer-Readable Storage Medium Having A Program For Executing The Method".

**In The Claims**

Please replace claims 1, 16 and 18 as shown below. A marked up version of the amended claims is attached to this Amendment.

SUB C1  
A2  
~~1. (Amended) A method for managing software conflicts, the method comprising the steps of:~~

~~determining change information which represents actual changes made to a computer system's files and other shared resources during installation of different applications into the computer system;~~

~~processing the change information to determine conflict information which indicates which files and shared resources conflict with one another;~~

~~storing the conflict information in a database of interrelated tables; and  
resolving the software conflicts based on the stored conflict information.~~

SUB C3  
A3  
~~16. (Amended) A computer-readable storage medium having stored therein a program which executes the steps of:~~

~~determining change information which represents actual changes made to a computer system's files and other shared resources during installation of different applications into the computer system;~~

~~processing the change information to determine conflict information which indicates which files and shared resources conflict with one another;~~

~~storing the conflict information in a database of interrelated tables; and  
resolving software conflicts based on the stored conflict information.~~
